Notes:

1. Transpack - Homes or office buildings shipped in packs in which wall, floor and roof panels are assembled for quick onsite installation. N3 wind rating and BAL-Low. For different wind rating and bushfire attack level requirements, please contact us.
2. The price estimation includes GST and is subject to change without notice. The indicative price includes delivery to 5 major ports. But it does not include delivery costs from the Port to customer's premise.
3. Please refer to our Standard Inclusions for spec details.
4. Labour & construction cost estimation is not included.
5. Subject to availability, iBuild can arrange an affiliated builder to assemble and install for our clients. Alternatively, clients can arrange assembly as owner builder or via a licensed builder.
6. Clients need to make allowance for compliance and council approval costs such as land survey, soil test, planning permit, and building permit.
7. Depending on the logistic arrangement, building size might be slightly reduced for transportation purpose.
